(b) the employer certification required by this section must include the retired member's name and social security number and a copy of the proposed contract of employment for the retired member;

(c) upon receipt of the employer's certification and of the proposed contract of employment, the retirement board shall verify whether the retired member meets the requirements of subsection (1)(a)(i) and shall notify the employer and the retired member of its findings;

(e) the retirement board shall report to the appropriate committee each legislative session regarding the implementation of and results arising from this section.

(2) An employer employing a retired member pursuant to this section shall contribute monthly to the retirement system an amount equal to the sum of the contribution rates required by 19-20-602, 19-20-604, 19-20-605, and 19-20-607.

(3) A retired member reemployed pursuant to this section is exempt from the earnings and employment limits provided in 19-20-731.

(4) If reemployed in a position covered by a collective bargaining agreement pursuant to Title 39, chapter 31, the retired member is subject to all the terms and conditions of the agreement and is entitled to all the benefits and protections of the agreement.

(5) The board may adopt rules to implement this section.

(6) As used in this section, the following definitions apply:

(a) "Employer" means a school district as defined in 20-6-101 and 20-6-701.

(b) "Year" means all or any part of a school year.

Section 2. Section 19-20-731, MCA, is amended to read:

"19-20-731. Postretirement employment limitations -- cancellation and recalculation of benefits.

(1) (a) Except as provided in [section 1] or as otherwise provided in this section, a retired member may be employed part-time by a school district, state agency, or unit of the university system in a position eligible to participate in the retirement system and may earn, without an adjustment of retirement benefits, an amount not to exceed the greater of:

(i) one-third of the sum of the member's average final compensation; or

(ii) one-third of the median of the average final compensation for members retired during the preceding fiscal year as determined by the retirement board.

(b) For the purposes of this subsection (1), the maximum compensation that a retired member may earn under subsection (1)(a) without an adjustment of retirement benefits includes all remuneration paid to the retired member, excluding:

(i) the amount of health insurance premiums paid by the employer on the retired member's behalf;

- (ii) the value of housing provided by the employer to the retired member;
- (iii) the amount of employment-related travel expenses reimbursed to the retired member by the employer;
- (iv) de minimis fringe benefits, as defined in 26 U.S.C. 132(e), paid by the employer to or on behalf of the retired member; and
- (v) payroll taxes paid by the employer on behalf of the retired member.

(2) On July 1 of each year following the member's retirement effective date, the maximum that a retired member may earn under subsection (1)(a) is increased by an amount equal to the consumer price index increase for urban wage earners compiled by the bureau of labor statistics of the United States department of labor or its successor agency in the preceding calendar year.

(3) Except as provided in [section 1] and in subsection (5) of this section, the retirement benefit of a retired member:

(a) employed in a part-time position or earning more than allowed by subsections (1) and (2) must be temporarily reduced by \$1 for each dollar earned over the maximum allowed. Monthly benefits must be reduced beginning as soon as practical after the excess earnings have been reported to the retirement system by the employer. The retirement benefit must be canceled if the retired member's earnings over the maximum allowed exceed the gross monthly benefit amount.

(b) employed in a full-time position must be canceled beginning in the month in which the retired member returns to full-time employment.

(4) Upon termination and retirement subsequent to a cancellation of benefits pursuant to subsection (3), the retirement benefit of a member:

(a) who was reemployed and earned less than 1 year of creditable service must be reinstated beginning either the first of the month following termination or on July 1 following the date on which the retired member was reemployed, whichever is later. The reinstated retirement benefit is the amount and option that the retired member would have been entitled to receive had the retired member not returned to employment.

(b) who was reemployed and earned at least 1 year of creditable service must be recalculated under 19-20-804 if the member has attained normal retirement age or under 19-20-802 if the member has not attained normal retirement age but is eligible for early retirement. The recalculated benefit must include the service credit accumulated at the time of the member's previous retirement, plus any service credit accumulated subsequent

to reemployment. The recalculated normal form benefit amount must be increased by the amount of any benefit enhancement received pursuant to 19-20-719 that the retired member was receiving when the member's benefits were canceled.

(5) If an early-retired member under 19-20-802 is reemployed with the same employer within 30 days from the member's effective date of retirement or if the early-retired member is guaranteed reemployment with the same employer, the member must be considered to have continued in the status of an active member and not to have separated from service. Any retirement allowance payments received by the member must be repaid to the system, together with interest, at the actuarially assumed rate, and the retirement allowance must be canceled.

(6) For purposes of this section, "position eligible to participate in the retirement system" includes work performed by a retiree through a professional employer arrangement, an employee leasing arrangement, or a temporary service contractor, as those terms are defined in 39-8-102.

(7) The retirement allowance of any retired member who is employed in a position and who elects to participate in the optional retirement program under Title 19, chapter 21, must be suspended until the member is no longer employed in the position and is no longer participating in the optional retirement program."

Section 3. Codification instruction. [Section 1] is intended to be codified as an integral part of Title 19, chapter 20, part 7, and the provisions of Title 19, chapter 20, part 7, apply to [section 1].

Section 4. Effective date -- applicability. [This act] is effective July 1, 2009, and applies to retired teachers, specialists, and administrators who are employed for school fiscal years beginning on or after [the effective date of this act] and who will exceed the postretirement limits provided in 19-20-731.

Section 5. Termination. [This act] terminates June 30, 2015.
